Asian Journal of Medical Sciences

Subject: Submission of manuscript for consideration of publication as original article

Dear Editor,

I am submitting a manuscript titled “Correlation of iodine content of mother’s milk and urine with their child’s TSH level” for consideration of publication in your esteemed journal as an Original Article. "Upon acceptance by Asian Journal of Medical Sciences, all copyright ownership for the article is transferred to Asian Journal of Medical Sciences. We, the undersigned co-authors of this article, have contributed significantly to and share in the responsibility for above. The undersigned stipulate that the material submitted to Asian Journal of Medical Sciences is new, original and has not been submitted to another publication for concurrent consideration. We also attest that human studies undertaken as part of the research from which this manuscript was derived are in compliance with regulation of our institution(s) and with generally accepted guidelines governing such work. The manuscript has been seen and approved by all authors and we will give any additional information which may be helpful to the editor.

Hoping for a favorable consideration

Thanking you

Yours sincerely
