**December 1, 2009.**

Date .....

The Dean  
Faculty of Medical Sciences  
University of Delhi  
Delhi - 110 007.

**Sub: Submission of protocols of M.D. students (2009-2012 Batch).**

Dear Madam,

Kindly refer to my letter dated 22<sup>nd</sup> October 2009 on the above mentioned subject (*copy enclosed for ready reference*).

In this context, I enclose herewith 3 copies each of the protocols of the following Two (2) M.D. students for your kind consideration and necessary action.

**M.D. protocols (Submitted to Animal Ethics Committee):**

S.No.	Title	Name of the student
1	Role of Epithelium in the Airway Responses to Hyperosmotic Solutions in Normal and Sensitized Guinea Pigs.	<i>Dr. Rajeev Ranjan Mishra</i>
2	Investigations on the role of Polyphenolic Acetates and Calreticulin in Hyperacetylation induced apoptosis in mice.	<i>Dr. Neetu Beetan</i>

All the above-mentioned Two (2) M.D. protocols are approved by the Institutional Animal Ethics Committee.

Thanking you,

Yours faithfully,

  
(DR. V.K. VIJAYAN)  
DIRECTOR
