Journal Title: ASIAN JOURNAL OF MEDICAL SCIENCES

Manuscript Title: A case of Ogilvie's syndrome associated with electrolyte imbalance in a healthy individual

We certify that we have participated sufficiently in the intellectual content, conception and design of this work, as well as the writing of the manuscript, to take public responsibility for it and have agreed to have our names listed as contributors. We believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. We certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. We attest that, if requested by the editors, we will provide the information or will cooperate fully in obtaining and providing the information on which the manuscript is based, for examination by the editors or their assignees. There is no financial interest, direct or indirect, contributors in connection with the content of this paper. There are no sources of outside support.

We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part, with or without fee; 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

We have also assigned Dr. Robin George Manappallil as the corresponding author for this article.

I, Dr. Robin George Manappallil, the corresponding author, shall make the necessary changes as per the request of the journal.
