

## Announcement

### VOTE OF THANKS TO OUR 2020 PEER REVIEWERS

*The International Journal of Environment (IJE)* is a fast growing journal in Nepal, and it could reach to this success with your valuable time and effort. Your willingness to support peer review of the journal submissions helped us to maintain quality of the papers published in 2020. Although the year was remarkably difficult year that was due to the corona virus spreading globally, we are very thankful for your readiness to act as a reviewer for the journal at this difficult time.

Thank you once again for all your wonderful support, service and dedication for contributing to science and society. We look forward to working with you again in 2021.

If you have any questions regarding the IJE or its peer review system, please do not hesitate to contact the editorial office at [nepal.psd@gmail.com](mailto:nepal.psd@gmail.com)
