

## *Editorial*

This issue of Butwal Campus Journal is the continuation of its publication on behalf of Research Management Cell of Butwal Multiple Campus, Butwal. This issue consists of various flavors and creative drives by the faculty members in multidisciplinary research field. We hope this issue will be the vehicle to carry out such matters to the faculty members, students and even to the public. We will make our best efforts to make the journal free from the errors.

We would like to appreciate the authors for their contributions to publish this edition by giving their research articles. Similarly we would like to thank all the referees (reviewers) of this issue, coordinator and other members of RMC and campus chief for their kind co-operation.
