Welcome to this first edition of *Journal of Entrepreneurship and Management Studies* published by MUSOM Department of Research, Innovation and Entrepreneurship. Observing increasing need of publishing peer reviewed journal of entrepreneurship and management studies, this journal has been published to address the emerging issues, innovation and practical aspects of entrepreneurship and management education, research and teaching. As a part of academic dialogue, this journal focuses on themes of business, management teaching, and policy. Articles included in this edition reveal major aspects of management education, women business, policy and others.

All articles were reviewed by the experts and reviewers. Each article provides relevant information to readers through widely practiced format. However, each article writer is completely responsible for the authenticity and originality of the article include in this edition.

Special thanks goes to MUSOM director for providing this opportunity of publishing this journal as well as financial support publication. Readers are expected to provide comments and suggestions for the improvement of this journal.
