Editorial

We are delighted to share the release of **Volume 7, Issue 1 (2026)** of the *Nepal Journal of Mathematical Sciences (NJMS)*. This issue includes eight original research articles spanning diverse areas of mathematics and its applications.

We sincerely thank all authors for their meaningful contributions. We also extend our gratitude to the editorial board and reviewers for their commitment, constructive feedback, and timely efforts that made this publication possible.

We warmly invite researchers, academicians, and scholars to submit their original work for **Volume 7, Issue 2**. Your contributions play a crucial role in advancing mathematical research and enriching our academic community.

Thank you for your continued support and involvement with NJMS.
